PREZ SEZ,

Happy May Day everyone. It is still hard for me to believe May is already upon us. Hell I just put away Christmas.

Before we go on the upcoming events, I would like to thank everyone for their support and love through my family's loss. Mom loved everyone of you. I also can't begin to express our gratitude to those that showed up for mom's memorial service. Without my Road King family it would have been extremely difficult to get through it. Our family would like to thank all of you.

It was with great sorrow to find out that two more of our own have passed. Kenny Safford and Rod Pepmueller. Both will be missed. Kenny came to several of our car shows and was seen at our June show last year with the Nitrofest.

The Saffor-Ratican-Gaide "Sour Sisters" car was recreated in 1999 and has been a staple of Cacklefest events for years and enjoys a permanent home at the Wally Parks NHRA Motorsports Museum. A celebration of Safford's and Pepmueller's lives will take place on Tuesday May 20th at 7:00pm at the NHRA Museum.

We also send our thoughts to Rose and Roger Nevrel, to speed up Rose's recovery. Also Don Siglar is doing much better after his knee replacement surgery. He is getting around with his walker minus an engine for speed.

Wow! what a great time we had at the Nettercutt Museum. About 50 members arrived at the museum. All had a great time, a few members had never been there before and were very surprised: good surprised.

This month holds the excitement of donating monies from all of our hard work work to the Road King's charities. Wives and significant others are invited to the MAY meeting on Tuesday May 13th. This is why we work so hard putting on the greatest events in Southern California.

.....CONTINUED ON NEXT PAGE.....

We only have six more weeks until our June car show, so get ready for a day of work, fun and family. Talk to Don Baldaseroni and Greg Simas regarding your job at the show.

Lastly, I want to thank Ben Curtis and Sue Baldaseroni for all of their help with my mom's memorial service. Ben spent a month working with my daughter Kim, going over photos and putting together both of the videos. The one at the church and a second video, shown at the Elks Lodge. Thank you both.

I'll be out of town for a couple of weeks, so I will see everyone at our May meeting.

Keep on crusin !

AL WHITE'S RACING REPORT

Hi Kings and Queens,

It has been an exciting season so far. I am still working out some changes I made that did not work out well. I am taking this opportunity to experiment with some other things, and I will explain in detail if they work well, but I won't bore you until I know the out come. So far I a had a transmission failure at my first race, the second race I had wheel stand issues, due to some weight that got inadvertently added to the rear of the car. The third race I went out round 2, broke out 7.58 on the 7.60 index. Things are looking up and we plan to be back in the winner circle soon.

This past weekend our friend Jack Beckman went to the final but lost to Robert Hight. Beckman has had a tough year until this last race and it's good to see him back on his game.

Larry Dixon got a new ride with Bob Vandergrif and we wish him the best. He went out first round, but winners always come back fighting and I know he will!

Drive safe

Sincerely Brother Al

Please note that Joe Comella will have sandwiches available for our general meetings. Sandwiches are only \$5.00.

PLEASE NOTE THAT THE JUNE GENERAL MEETING WILL BE ON TUESDAY JUNE 3RD BEFORE OUR JUNE 8TH CAR SHOW.

Welcome Rod Hynes as our newest Honorary member.

The next Car Show meeting will be May 15th at Johnny Carson Park at 5:30pm

Please all Road King members must donate a raffle or silent auction item. Also please put a note on the item with it's dollar amount value and bring it to the May meeting or drop it off at Bob Money's house.

Thank you
